Below are the guidelines set forth and agreed upon by the Board and Amenity Manager regarding Registered Events:

Any cancellation within one (1) week of the date of such reservation will forfeit its refundable deposit.

will be returned after the Registered Event is complete provided there is no evidence of damage to the facility and the Patron abided by these Policies. The Amenity Manager shall determine the amount of deposit to be returned, if any. Nothing herein shall constitute or be construed as a waiver of the Districts' sovereign immunity granted pursuant to Section 768.38, *Florida Statutes* or other statute.

RULES RELATING TO SUSPENSION AND TERMINATION OF PRIVILEGES

A Patron's or Guest's privileges at any or all Amenity Facilities may be subject to various lengths of suspension or termination for up to one (1) calendar year, and a Patron or Guest may also be required to pay restitution for any property damage, if he or she (each a "**Violation**"):

- (1) Fails to abide by the Policies and Fees for the Amenity Facilities established and approved by the Boards.
- (2) Submits false information to a District or Amenity Manager.
- (3) Permits unauthorized use of an Access Card.
- (4) Exhibits unsatisfactory behavior, deportment or appearance.

- (5) Fails to pay fees owed to a District in a proper and timely manner.
- (6) Treats District supervisors, staff, facility management, contractors or other representatives or other Patrons in an unreasonable or abusive manner.
- (7) Engages in conduct that is improper or likely to endanger the health, welfare, safety, harmony or reputation of a District or its supervisors, staff, facility management, contractors, other representatives or other Patrons.
- (8) Damages or destroys District property.
- (9) As it relates to a Patron, such Patron's Guest(s) violates any of the above.

Administrative Reimbursement

Each Board may, in its discretion, require payment by a Patron of an administrative reimbursement of up to Five Thousand Dollars (\$5,000) in order to offset the legal and/or administrative expenses incurred by such District as a result of a Violation, including but not limited to expenses related to investigative or security services ("**Administrative Reimbursement**"). Such Administrative Reimbursement shall be in addition to any suspension or termination of Amenity Facility access, any applicable legal action warranted by the circumstances, and/or any Property Damage Reimbursement (defined below).

Property Damage Reimbursement

If damage to District property occurred in connection with a Violation, the Patron or Guest who caused the damage, or the person who has charge of a minor that caused the damage, shall reimburse the Districts for the costs of cleaning, repairing, and/or replacing the property ("**Property Damage Reimbursement**"). Such Property Damage Reimbursement shall be in addition to any suspension or termination of Amenity Facility access, any applicable legal action warranted by the circumstances, and/or any Administrative Reimbursement.

District Suspension and Termination Process

Jurisdiction Reciprocal

The ability to suspend or terminate privileges as provided herein shall be held by the District, through its Board, District Manager, and/or Amenity Manager, in whose boundaries the incident occurred. Violations that result in a suspension or termination in one District shall be brought up at the next Board meeting for the other District. Suspension or termination of privileges shall in no way prevent a member of the District Boards, the District Manager, District Staff or members of the public from attending a duly advertised public meeting of either District.

Removal Authority

Amenity Manager or its designee, such as onsite staff or personnel under contract with the Districts, if any, has the independent ability to remove any person from the Amenity Facilities if a Violation occurs, or if in his or her discretion, it is in the applicable District's best interest to do so.

Process

In response to any Violation of the Policies, including, but not limited to, those set forth in the preceding paragraph, the District shall follow the process outlined below with regard to suspension or termination of a person's privileges:

(1) Initial Suspension. The Amenity Manager or his or her designee may at any time restrict or suspend for cause or causes, including but not limited to a Violation, any person's access to the Amenity Facilities until a date not later than the next regularly scheduled meeting date of the Board of the District in which the Violation occurred that is scheduled to occur at least twenty-one (21) days after the date of initial suspension. In the event of such a suspension, the District Manager or his or her designee shall mail a letter to the person suspended referencing the conduct at issue, the sections of the Policies violated, the time, date, and location of the next regular Board meeting where the person's suspension will be presented to the applicable Board, and a statement that the person has a right to appear before such Board and offer testimony and evidence why the suspension should be lifted. If the person is a minor, the letter shall be sent to the minor's parent or guardian's address.

(2) Hearing by the Board; Administrative Reimbursement; Property Damage Reimbursement.

a. At the Board meeting referenced in the letter sent under Section (1) above, or as soon thereafter as a Board meeting is held if the meeting referenced in the letter is canceled, a hearing shall be held at which both District staff and the person subject to the suspension shall be given the opportunity to appear, present testimony and evidence, cross examine witnesses present, and make arguments. The Board may also ask questions of District staff, the person subject to the suspension, and witnesses present. All persons are entitled to be represented by a licensed Florida attorney at such hearing.

b. After the presentations by District staff and the person subject to the suspension, the Board shall consider the facts and circumstances and determine whether to lift or extend the suspension or impose a termination. In determining the length of any suspension, or a termination, the Board shall consider the nature of the conduct, the circumstances of the conduct, the number of rules or policies violated, the person's escalation or de-escalation of the situation, and any prior Violations and/or suspensions.

c. The Board shall also determine whether an Administrative Reimbursement is warranted and, if so, set the amount of such Administrative Reimbursement.

d. The Board shall also determine whether a Property Damage Reimbursement is warranted and, if so, set the amount of such Property Damage Reimbursement. If the cost to clean, repair and/or replace the property is not yet available, the Property Damage Reimbursement shall be fixed at the next regularly scheduled Board meeting after the cost to clean, repair, and/or replace the property is known.

e. After the conclusion of the hearing, the District Manager shall mail a letter to the person suspended identifying the Board's determination at such hearing.

(3) Suspension by the Board. Each Board on its own initiative acting at a noticed public meeting may elect to consider a suspension of a person's access for committing any of the Violations outlined herein. In such circumstance, a letter shall be sent to the person suspended which contains all the information required by Section (1) above, and the hearing shall be conducted in accordance with Section (2) above.

(4) Automatic Extension of Suspension for Non-Payment. Unless there is an affirmative vote of the applicable Board otherwise, no suspension or termination will be lifted or expire until all Administrative Reimbursements and Property Damage Reimbursements have been paid to the District. If an Administrative Reimbursement or Property Damage Reimbursement is not paid by its due date, the District reserves the right to request surrender of, or deactivate, all access cards or key fobs associated with an address within the District until such time as the outstanding amounts are paid.

(5) Appeal of Board Suspension. After the hearing held by the Board required by Section (2) above, a person subject to a suspension or termination may appeal the suspension or termination, or the assessment or amount of an Administrative Reimbursement or Property Damage Reimbursement, to the Board by filing a written request for an appeal ("**Appeal Request**"). The filing of an Appeal Request shall not result in the stay of the suspension or termination. The Appeal Request shall be filed within thirty (30) calendar days after mailing of the notice of the Board's determination as required by Section (2)(e), above. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file an Appeal Request shall constitute a waiver of all rights to protest the District's suspension or termination and shall constitute a failure to exhaust administrative remedies. The District shall consider the appeal at a Board meeting and shall provide reasonable notice to the person of the Board meeting where the appeal will be considered. At the appeal stage, no new evidence shall be offered or considered; instead, the appeal is an opportunity for the person subject to the suspension or termination to argue, based on the evidence elicited at the hearing, why the suspension or termination should be reduced or vacated. The Board may take any action deemed by it in its sole discretion to be appropriate under the circumstances, including affirming,

overturning, or otherwise modifying the suspension or termination. The Board's decision on appeal shall be final.

(6) Legal Action; Criminal Prosecution; Trespass. If any person is found to have committed a Violation, such person may additionally be subject to arrest for trespassing or other applicable legal action, civil or criminal in nature. If a person subject to a suspension or termination is found at an Amenity Facility, such Person will be subject to arrest for trespassing. If a trespass warrant is issued to a person by a law enforcement agency, the Districts have no obligation to seek a withdrawal or termination of the trespass warrant even though the issuance of the trespass warrant may effectively prevent a person from using the Amenity Facilities after expiration of a suspension imposed by the District.

(7) Severability. If any section, paragraph, clause or provision of this rule shall be held to be invalid or ineffective for any reason, the remainder of this rule shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this rule would have been adopted despite the invalidity or ineffectiveness of such section.
